

My attacker's jacket had hood similar to left below, but pattern was more like photo at right except warmer colors and somewhat more sparse design.

I was attacked!

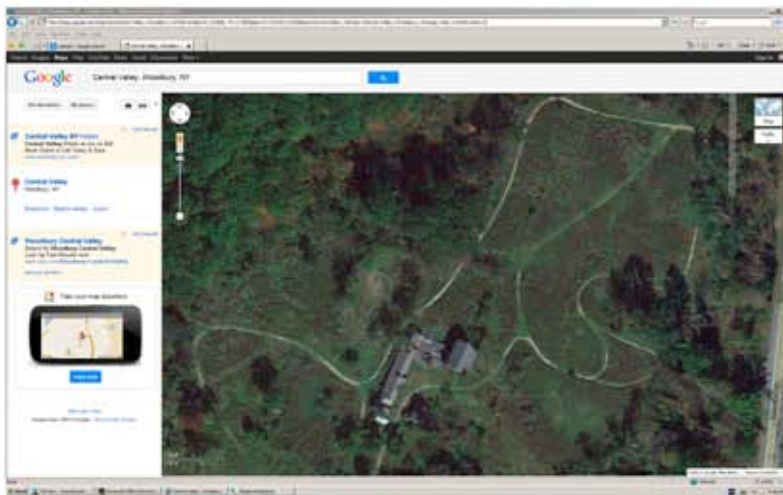

I was attacked on Smith Clove Road, Central Valley, NY 10/01/2012 at about 6:15 pm. **\$1,000** reward offered. More info at: www.ViolenceAgainstCyclists.ORG

Below left is a motorcycle similar to one of my attackers which I have been assured could be used off-road by an idiot.

Above right is from a YouTube video shot in Woodbury Commons parking lot showing mirrors similar to what I saw with the mortorcyclist's handlebar and throttle in my lap

\$1,000 Reward

Possible illegal off-road motorcycle course about 200 yrds from where I was attacked

Below two maps show possible encroachment on West Point property by neighboring development as-built.

At right is Bob Fugett trying to present this information to the Town of Woodbury Town Board

If you know anything about any of this, contact the police:
